

for the classification

1. Formal request for information obtained by CIC through sources Heinrich SCHMITZ and Richard SCHWEIZER from Ludwig ALBERT on the GEHLEN org. We responsible for this organization, and should therefore have whatever info CIC obtained in this way on it.

2. Formal request for all info CIC got from the OMA on the Herbert BURKHARDT case as a whole which would add to our knowledge of capabilities and aims, etc of the MFS. From what little info which has been passed to us in conversations with OSTA FISCHER and with staff members of the BND (Federal IS) (GEHLEN org..... whichever term you want to use), it appears that ~~this information~~ there are many features of this complex ~~of~~ which are different from or even contrary to those observed in other operations of the MFS. Since OMA apparently considers CIC rep of OGA in dealings with the US regarding the BURKHARDT case, CIC rep is our only means of access to this info. GEHLEN org understandably reluctant pass info on this since case is in the hands of the OMA.

3. Protest against CIC behavior in matter of penetration of the GEHLEN org.... past history of this is set forth in some detail in EGIA15761 attachment.
